## RAIL PROJECTS

### Resolution 3434: The Bay Area's Vision for Transit Expansion

MTC's Regional Transit Expansion Program, adopted in 2001 as Resolution 3434, identifies nine new rail extensions, significant service expansions to existing rail lines, and a comprehensive regional express bus program, new ferry service, plus eight enhancement programs to existing rail and bus corridors. Once implemented, this next generation of transit expansion projects will forge key transit network connections between southern Alameda County and the Silicon Valley, provide a new southern link, enhance the Bay Area's central transit hub in San Francisco, and extend the reach of rail to the North Bay and the outer East Bay.
